

## DR. OSHIN BHARDWAJ

Associate Consultant – Cardiothoracic and Vascular Surgery (CTVS)  
Metro Hospitals & Heart Institute, Noida  
DrNB (Cardio-Thoracic Surgery), MBBS

Experience of over 07+ Years

### INTRODUCTION

Dr. Oshin Bhardwaj is a young and accomplished Cardiothoracic and Vascular Surgeon with extensive training and hands-on experience in complex adult and paediatric cardiac, thoracic, and vascular procedures. She completed her DrNB (Cardio-Thoracic Surgery) at Narayana Hrudayalaya, Bangalore, one of India's foremost centres for cardiac care, where she gained comprehensive exposure to open-heart, valve, coronary, transplant, and thoracic surgeries.

Dr. Bhardwaj's professional journey includes associations with Max Super Speciality Hospital, Patparganj (Delhi) and Sri Sathya Sai Institute of Higher Medical Sciences, Whitefield (Bangalore). Her core expertise spans surgical management, pre- and postoperative intensive care, and the use of modern cardiac support systems such as ECMO and IABP.

She is deeply committed to patient-centred cardiac surgery, evidence-based practice, and multidisciplinary coordination to ensure the best outcomes. Currently, she is working as Associate Consultant – Cardiothoracic and Vascular Surgery at Metro Heart Institute, Sector 12, Noida.
