

Dr. Vipin Kumar Goel

MBBS, MD (Anaesthesia),
PDCC (Cardiac & Neuro Anaesthesia)

Head & Sr. Consultant – Cardiac Anaesthesia & Critical Care
Metro Hospitals & Heart Institute, Sector-12, Noida

Experience of over 29+ years

INTRODUCTION

Dr. Vipin Kumar Goel is a highly experienced Cardiac Anaesthesiologist and Critical Care Specialist with over 29 years of expertise in adult and paediatric cardiac, thoracic and vascular anaesthesia.

He serves as the Head & Senior Consultant – Cardiac Anaesthesia & Critical Care at Metro Heart Institute, Noida. His clinical breadth spans complex cardiac and thoracic procedures including CABG, valve surgery, MitraClip and TAVI, with proficiency in TEE/TTE, ECMO, CPB, IABP, one-lung ventilation, VATS (Video-Assisted Thoracic Surgery), invasive haemodynamic monitoring and percutaneous tracheostomy.

Throughout his career, Dr Goel has led cardiac anaesthesia and ICU services across renowned hospitals and was instrumental in establishing cardiac operating theatres at multiple Metro units. He combines clinical excellence with strong infection-control practices and team mentorship to ensure safe, evidence-based peri-operative care.
